WHERE THE WAR IS

INTERESTING DISCOVERY OF THE BAND GIRLS.

HAD CHICKEN IN HORN

One Member of the Band Well Provided for Eats—Friends Made Trip Pleasant by Calling on Them.

The first news from the Missouri Ladies Military band of Maryville, which started Saturday for Washington, D. C., and is probably at this moment gloriously leading the parade of suffragettes about the streets of that city, provided those college students have not put everything feminine to flight by turning loose the mice:

Wabash Railway, En Route to Washington, D. C., March 1.—On to Washington! With hearty good wishes ringing in our ears we left Maryville on the 10:52 train for St. Louis. Just before the train arrived Dr. Nash rushed breathlessly into the station bearing a fifteen pound package of candy and a box of chewing gum. Within were the congratulations and good wishes of F. P. Reuillard. Oh, if it had arrived too late! Mark Turner also sent his good wishes with a large box of gum. Another good friend kindly had us conveyed to the station free of charge. Thus the courtesies commenced and have continued throughout the day.

No one could have been more kind and thoughtful for our comfort than Mr. D. B. Steeg, traveling passenger agent of the Pennsylvania railroad, who accompanied us from Maryville to St. Louis.

As usual, Jim Carpenter was in evidence with his kodak to take a picture of the band as we were grouped on the station platform.

Personal friends of the various members of the band met us at the different stations for many miles. At Stanberry we were enthusiastically greeted by a large delegation who had phoned to Maryville this morning, requesting a concert during the twenty minutes wait there.

Mr. and Mrs. Seiba Reager, relatives of Miss Nash, accompanied us from Stanberry to McFall.

A very interesting time arrived just after we left Stanberry, for it was the hour for lunch. Olives and pickles were much sought after. Miss Ora Quinn carried off the honors by eating the most olives and Miss May Shipp led a close second with the pickles.

About 3 o'clock the party had just settled themselves for a nap when the train arrived at Sumner, and calls were heard for Miss Nash. Same ladies (suffragettes) were on the station platform, and one of the most enthusiastic of them frantically shook her head and called to Miss Nash to emphasize her remarks. They were sorry they had not learned of our coming sooner, so they could have had a larger crowd to meet us, but were glad we were going to Washington to represent the cause, and assured us if we would let them know when we would return they would greet us royally. As we will arrive there about 3 a. m. on our return trip it is doubtful if we receive such honors.

At Keytesville some of the girls saw a curiosity in the form of a horse car. The line on which this car runs connects the station with the town, about a mile away.

When someone mentioned that we would pass through Mexico one of the younger members of the band said: "Oh, is that where the war is?"

Very little snow is to be seen as we approach St. Louis. We are certainly having a delightful trip, and all are fully satisfied, except the two married members of the band, who are longing for their husbands.

When Miss Nash was giving final instructions for leaving the train at St. Louis, she said: "Girls, you must not go into St. Louis chewing gum." To this Elizabeth Nash replied: "No, if we do they will think we are amateurs (amateurs)."

As we reached St. Louis we discovered that one of the girls was carrying a chicken in her horn. We did not inquire if it were alive or not.

We are just leaving St. Charles. We were greeted here by Miss Cornelia Hurst, a former member of the band. We will reach St. Louis a little late, but in plenty of time to make connections.

Maryville Ladies Band Selling Post Cards Along the Way to Washington.

Mrs. Matt O'Brien received cards Monday morning from her daughter, Miss Mary O'Brien, containing brief bits of news from the Maryville ladies band, of which she is a member, that arrived in Washington, D. C., Monday morning. The cards were mailed at Brunswick, Mo., where the band arrived Saturday evening, and where they were treated to coffee by General Passenger Agent Steeg.

Miss O'Brien said that they were greeted by large crowds at every station on their way to Brunswick, and at the latter place they were greeted by quite a delegation of suffragettes. The two little girls of the band, Hazel Garrett and Elizabeth Nash, sold post cards at every stop on the road and were making quite a nice sum from them. The cards contained the picture of the ladies band, and underneath the picture are the words of the new song "Mary Villemo." When the train stopped Misses Hazel Vandervoort and Grace O'Brien, cornetists in the band, gave the bugle call, which was the signal for the little girls to begin selling their cards, and they were kept busy until time for the train to start.

VAUDEVILLE SHOW BY ELKS.

To Be Put On at Empire Theater on Tuesday Evening, March 25—Will Be a Musical Show.

The Elks will put on a big vaudeville show at the Empire theater on Tuesday evening, March 25. It promises to be bigger and better than ever, and it will be a good, clean show.

The program will contain many musical numbers from the leading musicians in the city. An orchestra composed of many of the members of the band will furnish the music. One act, selections from "The Firefly," is to be put on by the Maryville Conservatory, under direction of Miss Marie Gayle Jackson. Miss Bess Scott and Glenn Goff will put on a song and dance number; H. R. Hancock and daughter, Miss Mildred Hancock, and Miss Gladys Holt are to put on a popular song number; there is to be a dramatic sketch act; a big novelty act featuring an instrumental musical act by a brass sextet, under the direction of Abner Robertson. There will also be many other numbers, the program not being complete at this time.

HAS GRANT CITY PASTORATE.

Rev. D. W. Conner of Palestine, Ill., Will Begin Work With That Church the First of April.

Rev. D. W. Conner of Palestine, Ill., a former well known Christian church minister of Northwest Missouri, has accepted a call to the pastorate of the Christian church of Grant City and will take up his labors there April 1st.

Rev. Conner is not a stranger to the people of this section. He was district missionary for the churches of this part of Missouri for several years and his successful work in special meetings is well remembered.

The pastorate with the church in Illinois he is just leaving was in every way desirable and pleasant, but for some time it has been the wish of Rev. and Mrs. Conner to be near their daughters, Mrs. W. E. Goforth of Maryville and Mrs. M. E. Medsker of Skidmore, who are their only children, and for this reason the change was made. The news of their return to Missouri will be heard gladly by many friends in and out of the church they represent.

Is Now in St. Joseph Asylum.

William Dickson, who has been an inmate of an asylum at New Westminster, B. C., is now in the asylum at St. Joseph. Dickson was transferred to the St. Joseph institution as he was a citizen of the United States, and his last place of residence was Nodaway county.

A New Daughter in Hopkins.

Mr. and Mrs. Arch Martin of Hopkins announce the birth of a daughter, Saturday morning, March 2, 1913.

WOODMEN TO STANBERRY.

Many Members of Local Lodge Put on Work Saturday Night for the Stanberry Lodge.

Many members of the Woodmen of the World lodge of this city went to Stanberry Saturday night to visit the Woodman lodge of that town and put on the degree work. Fourteen new members were initiated in the Stanberry lodge that night. A good time was had by the Maryville members. The following were those that were in the Maryville party: Roy Martin, Charles W. Kiser, R. F. Wallace, A. L. Kelley, Victor Pinnell, W. B. Blachley, Lon Shanks, John Touhey, Will Saunders, C. A. Wilson, Ezra Phipps, Clarence Phipps, P. W. Leffler, Bert Charles, Guy Ray, Will Edwards, Wm. Job, Jr., Will Burnham, Lenn Costello, Lester Sipes, Walter Miller and Charles Robey.

The Charles Will Filed.

The will of the late O. P. Charles was filed in probate court Saturday afternoon. The will was written April 22, 1912, and was witnessed by N. J. Vickery and Samuel Corrough of Arkoe. By the terms of the will the estate, both real and personal, is left to his wife, and at her death the estate is to be divided equally among the following children, Edwin R., Henry M., Franklin L., Ellen E., Eva J., Parmelia G., Mary M. and Cyrus W. J. T. Goff was named executor of the estate.

To Kansas City.

Attorney L. C. Cook left this afternoon for Kansas City, where he has a case before the Kansas City court of appeals.

W. E. John of St. Joseph was visiting his parents, Rev. and Mrs. C. H. John, in Maryville Saturday and Sunday. He left Sunday for Quincy, Ill., on a business visit.

Visiting Nephew Here.

Frank R. McWilliams of Des Moines, Ia., came to Maryville Saturday evening and is the guest of his nephew, Fred J. Yeomans, and wife of South Main street.

Many Hopkins People Here.

About forty people from Hopkins and community were in the city Monday, being witnesses in the divorce case of Maggie Reeder vs. Albert Reeder, which was set for trial for Monday in circuit court. The case, however, will not come up until Tuesday. W. L. Morehead of the Hopkins Journal and Wm. Miles were members of the Hopkins party.

NOTES OF THE NORMAL.

A good sized enrollment marked the opening day, Monday, of the spring quarter. A large number of the winter students have returned and several new ones are coming in.

The girls' basketball team was defeated at Cameron Saturday night by the Missouri Wesleyan girls. The score was 36 to 9. The locals were badly outclassed in the first half, which ended 26 to 3, but in the final period they played a much better game and counted six while their opponents got 10. The game was played in the college gymnasium and the locals were greatly handicapped by a row of iron posts and an extremely slippery cement floor. The Cameron girls will play a return game in two weeks and the Normal damsels expect to make a much better showing.

The Normal second basketball team will play the Albany high school five next Friday night on the Normal floor. The youths from the Gentry county capital have been beating everything in their locality and claim the high school championship of "these parts."

NEW LEADER IN SINGLES

W. A. Spencer of Chicago Goes Ahead With Score of 658.

Toledo, O., March 3.—New leaders cropped out in the individual events of the American Bowling congress tournament.

With a score of 658 W. A. Spencer of Chicago went into the lead, relegating Howley, who led on Saturday, to third place.

J. Wagner of Cincinnati landed second place in the play with a score of 648, while Wilson of Chicago went into fourth place with 642.

In the two-man team event Small and Drew of Chicago rolled into fourth place with 1,205, the only score of the day above 1,200.

Peruvian Indians Hostile.
Guayaquil, Ecuador, March 3.—Officials of the eastern region report the Ecuadorian Indians recently attacked a Peruvian settlement on the Morona river. They killed three officers several soldiers and two women and captured the settlement, the other Peruvians escaping into caves.

SENATORS JOIN WOMEN'S PARADE

Eight Members of House Also
March Through Capital.

Washington, March 3.—Official Washington was represented today in the first woman suffrage parade and pageant ever held in Washington by seven senators and eight members of the lower house.

Mrs. Richard Coke Burleson was the grand marshal of the parade and Miss Inez Milholland of New York, its herald. The first section of the parade typified "World Wide Movement for Woman Suffrage" and was headed by Mrs. Carrie Chapman Catt, president of the International Suffrage Alliance. The second section represented "Seventy-five Years' Struggle for Freedom, or Justice Conquering Prejudice" and was exemplified in a series of floats.

The third section portrayed the idea that "Man and Woman Make the State; Man Alone Rules the States." Floats here revealed woman in the field, the farm, the home, in patriotic service, in education, medicine, law, labor, government and other fields of endeavor.

"The Appeal of Business and the Professions" was the motto of the fourth section; the "Appeal of the States" that of the sixth section. The fifth section comprised uniformed women marchers and the seventh section consisted of delegations from states where suffrage has been wholly or partly granted.

Simultaneously with the starting of the procession from the peace monument, the tableaux on the south steps of the treasury began, under the direction of Miss Hazel Mackeye. The principal part was that of Columbia, represented by Hedwig Reicher. Other impersonations were justice, charity, liberty, peace, and hope, with eighty-seven attendants in classic costume.

NORMAL BASKET BALL PAID.

Surplus in Treasury at End of Season—Team Won Eight Out of Twelve Games.

Local patrons of basketball have paid out \$344.75 for admission to games at the Normal gymnasium this winter, according to the report of Manager John Anderson of the Normal basketball team. That amount includes only the games played by the Normal first team with out-of-town teams, and counting the receipts of the city league games and the local high school games the amount would total near \$400. The basketball season of the Normal, which closed last Thursday night, was not only a success financially, there being a surplus of \$77 at the close of the season, but the green and white warriors won eight of the twelve games played with outside teams and won the pennant in the city league with nine games won and none lost.

Below are the season's scores:

Normal 66, Christian Brothers College 29.
Normal 45, St. Joseph Business University 21.
Normal 36, Platts, St. Joseph, 38.
Normal 28, Tarkio college 45.
Normal 45, St. Joseph Central 21.
Normal 36, St. Joseph Benton 25.
Normal 29, Missouri Wesleyan 44.
Normal 50, Missouri Wesleyan 20.
Normal 40, Amity college 22.
Normal 47, Benton 25.
Normal 44, St. Joseph Central 36.
Normal 31, Tarkio college 35.
Total Normal 497, total opponents 359.

DROPS A GAME TO CENTRAL.

Maryville Was Easily Defeated Saturday Night in Fast Contest.

Central high school's basketball team of St. Joseph Saturday night overwhelmed the Maryville high school five by a score of 68 to 19 in that city. The game was a walk away from the start, Central taking a good lead after a few minutes of playing. The first half ended with the score standing 31 to 15, favoring Central. The visitors made only four points during the entire second half, while Central made a total of 37 points in the same session.

Central put forth a wonderful display of team work, and even then there was a great amount of individual shooting. For the visitors, Leech the forward and captain, was easily the peer, throwing all of the free tries and doing good work as forward. The score:

WORK OF THE LAST CONGRESS

Sixty-Second Session Marks
Epoch-Making Party Struggle.

RECIPROCITY FIGHT CAME FIRST

Several Personal Contests of Lasting Force Take Place and Many Important Changes Are Inaugurated—Numerous Investigations.

Washington, March 3.—With the adjournment of congress tomorrow noon the end will be written to two years of epoch-making struggle within party ranks; and to three sessions of effort, only partially successful, to adjust the differences between a Democratic house, a senate under Democratic-Progressive control and a Republican president.

Many important pieces of legislation have been enacted within that time; investigations of a peculiar significance to the public have been conducted; and many subjects of general interest have been laid aside without action. The tariff, attacked alike from Democratic and Republican sources twice during that period, has been the subject of attempted revision, but none of the proposed changes became effective.

The Sixty-second congress opened in 1911 with a special session called by President Taft to consider Canadian reciprocity; it ends with an extra session of the Sixty-third congress only a few weeks away, to be called by President Wilson for a general revision of the Payne-Aldrich tariff law. National conventions, the birth of a new party, a general election and a complete change of administration have intervened between its beginning and its end. Activities of the short session now closing have been limited almost entirely to routine work, because of the determination to leave to the new administration all of the important subjects of a general character.

Accomplishments of Session.
Perhaps the most important developments of the entire congress are the following:

New federal bureau of labor created with cabinet officer at its head.

Physical valuation of the property of railroads and other common carriers to form basis for rate making.

Canadian reciprocity law passed, but rejected by Canada.

Constitutional amendment for popular election of senators submitted to the states.

Shipment of liquor into prohibition states forbidden by law.

Arbitration treaties with Great Britain and France negotiated, but failed of ratification because of changes made by the senate.

Termination of the treaty of 1832 with Russia demanded by congress.

Notice served on the world by the senate that the United States will not permit foreign nations to secure military or naval footholds where they might threaten the safety of this country.

Children's bureau created in department of commerce and labor.

Panama canal law passed, establishing free passage for American coastwise ships and barring railroad owned vessels from the canal.

Campaign publicity laws passed, requiring a complete public accounting of all campaign funds.

William Lorimer declared not entitled to seat as senator from Illinois.

Judge Robert W. Archbald of commerce court impeached and convicted on charges of judicial misconduct.

Money trust investigation conducted, disclosing detailed methods of present day financial operation.

Campaign expenditures investigated, covering campaign funds of 1904, 1908 and 1912, and disclosing correspondence between John D. Archbald of the Standard Oil company and members of congress.

Investigation made of formation and operation of the United States Steel corporation.

STRUGGLE WITH BIG BILLS

House and Senate Conference Deadlock Over Naval Measure.

Washington, March 3.—With both the senate and the house in the unusual situation of sitting in the legislative session of Sunday the Sixty-second congress dragged its weary way towards its conclusion that will come at noon tomorrow.

The two battleship program was threatened with defeat when the house and senate conferees decided they could make no agreement between the one battleship program of the house and the two battleship program of the senate. The result threatens the defeat of the entire \$150,000,000 naval appropriation bill. The house conferees declined to yield the one battleship program and also refused to take the issue back to the house for another vote.

Agreements in the senate on the river and harbor bill and the post office appropriation bill had cleared the situation somewhat.

A bitter fight in the conference committee having the public buildings bill in charge left the fate of the measure in doubt. It was believed that all other appropriation bills, with the possible exception of the District of Columbia measure, would be finally agreed to in time to receive the signature of President Taft.

There will be a called meeting of the Ladies' Aid society and the Missionary society of the Buchanan Street Methodist church Tuesday afternoon at 2:30 at the church. Rev. Randolph desires a large attendance as there are matters of importance to be brought before the members.

Announcement Party.

Mrs. Frank G. Shoemaker announced the engagement of her daughter, Miss Esther Shoemaker, with an informal party Saturday afternoon, the guests including the intimate friends of the bride-to-be. There were two tables of guests at six-hand euchre, and during the luncheon that followed Mrs. Luther Forsyth found the card with the names.

March 15, 1913.

The favors at luncheon were small lace baskets filled with candles, and the honor and pleasure of announcing the happy news fell to Mrs. Forsyth. The wedding will take place Saturday evening at 8 o'clock.

Robey-Lynch Wedding.

A quiet wedding took place Sunday afternoon at 2:30 o'clock at the home

of Mr. and Mrs. W. L. Robey, on East First street, when their daughter, Miss Ona Robey, was married to Mr. Frank Lynch, a young farmer of near Ravenwood. The ceremony was performed by Rev. C. J. Miller of the First Christian church, in the presence of relatives and the members of the Jewel Art club, of which the bride was a member. The bride wore a wedding gown of white silk voile with ruffled embroidery and trimmings of crochet buttons. Her only jewelry was a string of pearls and her wedding ring. After the ceremony a luncheon in pink and white was served. The guests, aside from the members of the Jewel Art club, were Rev. and Mrs. C. J. Miller, Mayor and Mrs. A. S. Robey, Mrs. Anna Daniels, Mrs. Verna Murphy, Mr. and Mrs. Henry Trullinger and Will Seeley.

Commissioner of Corporations

Conant Submits Findings.

MONOPOLISTIC IN CHARACTER.

Gains Great Power by Superior Command of Capital—Morgan and Rockefeller's Friendship is Great Aid. Competitive Methods Criticized.

Washington, March 3.—The power of the International Harvester company—the so called harvester trust—which the federal government is seeking to dissolve under the Sherman law, lies in its monopolistic position, its superior command of capital, including its connections with J. P. Morgan & Co. and John D. Rockefeller, and certain objectionable competitive methods, according to Luther Conant, Jr., commissioner of corporations, in his report on the operations of the giant corporations, just submitted to President Taft.

"The chief features of the International Harvester company's operations," says Mr. Conant, "are the substantial maintenance of its monopolistic position in the harvesting machine business, originally acquired through combination, and its extensions on a large scale into new lines of the farm machinery industry. The company has been able to do this in part through the acquisition of some of its chief rivals in the harvesting machine business; in part by using its monopolistic advantage in these harvesting machine lines to force the sale of its new lines; in part by certain objectionable competitive methods; and especially through its exceptional command of capital, itself the result of combination."

The harvester investigation was made in response to a senate resolution several years ago. Recently a request was made by representatives of the company that the report be withheld pending the outcome of the anti-trust suit, but President Taft decided to make it public.

Dissolution Plan.

Pointing to the recent action of the company in splitting into two corporations, each with \$70,000,000 capital stock, one retaining the old harvester machine plants and the other taking over the new lines and foreign business, Mr. Conant comments:

"If this is intended as part of a plan for ultimate disintegration of the combination, in the opinion of the bureau, it is unsatisfactory."

The investigation, the report says, disclosed low rates of profits in the early years of the combination, partly owing to imperfect organization and internal jealousies, but much higher rates in recent years, averaging about 12½ per cent in 1909-1911 on net assets (exclusive of good will), according to the bureau's estimates.

Generally speaking, says the commissioner, the prices obtained by the company on foreign sales are relatively higher than those in the domestic market, netting in some cases a 10 per cent margin of profit.

BANDIT LOSES HIS NERVE

Robs Two Passengers and Then Makes His Escape From Train.

St. Louis, March 3.—Wabash train No. 1, which left here for Kansas City, was robbed by a lone bandit before it was beyond the city limits.

The bandit boarded the train at Delmar station, near the western edge of the city, and entering the Des Moines sleeper, drew his revolver on J. L. Kennard and, compelling him to lead the way, started down the aisle to collect money from the passengers.

The first passenger the bandit approached was W. C. Wiley of St. Louis, from whom he took \$10 and a watch. He next commanded A. M. Snedden to hand over his money. Mr. Snedden drew 30 cents from his pocket, handed it to the robber and before the astonished bandit had time to demand more, locked himself in a wash room.

The bandit then seemed to lose his nerve and, pulling the air brake cord, stopped the train at Glen Echo, a small station about thirteen miles west of St. Louis, and escaped in the darkness.

HAYDEN WILL IS CONTESTED

Twelve St. Louis Catholic Institutions Named as Defendants.

St. Louis, March 3.—A suit to break the will of Thomas P. Hayden, who died last April, leaving an estate of \$600,000, was filed here. Archbishop Glennon of the Catholic province of St. Louis and twelve Catholic institutions, to each of which \$10,000 was willed, are named as defendants. The suit was brought by P. S. and P. A. Naughton, nephews, and by Edward C. Naughton, a grandnephew.

Heike Gets Clemency.

Washington, March 3.—President Taft commuted the sentence of Charles R. Heike, secretary and treasurer of the American Sugar Refining company, to eight months in the New York county penitentiary and a fine of \$5,000. Heike was convicted of conspiracy to defraud the United States in effecting entry of dutiable sugar at less than its true cost.

Guayaquil, Ecuador, March 3.—Slight earth shocks were felt here.

\$985 See the Picture of the Car—the price puzzles You; Read the description—the price astonishes You; Drive the Car—the price delights You;

The Overland

As handsome a car as the most exacting buyer could desire. From cooler to tail-light impressive, every line indicating fleetness and power, eloquent of comfort and pleasure, built with faithful regard to genuine quality, correct, invulnerable in every mechanical detail, the best in its class that American skill can produce and money can buy.

That is the Overland.

They don't build only 5,000 of them; nor even 10,000. If they produced no more than that number of cars, they too, would have to ask at least \$1300 for the beautiful car we offer at \$985 F. O. B. Toledo.

They build 40,000 cars this season. They contract for the raw material for this enormous production at one time, pay for it in cash, and thereby secure the best the markets afford, at the lowest prices.

The price includes everything needed for comfortable touring; acetylene engine starter, gas tank, gas and oil lamps, genuine mohair top and top covering, clear vision, rain-vision windshield, Warner speedometer, horn, robe-rail, foot-rest, tire carriers in the rear of the car, etc.

The Overland motor is the best of its type. Some

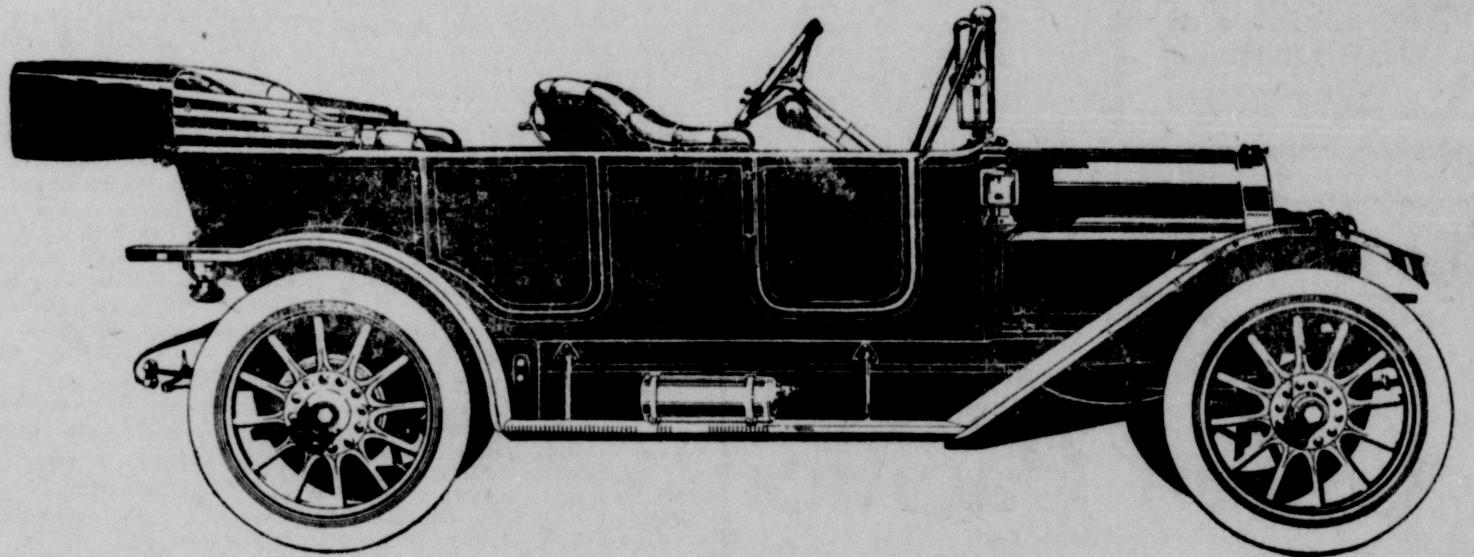

motors—this is an important point—have three main bearings, some only two. Overland motors have five large main bearings; that's one of the reasons why they work without trouble. The whole motor is built for power and endurance.

The Overland model 69 rear axle is of a new and improved type, three-quarter floating; this axle system has all the advantages of the full-floating axle, but none of the shortcomings of the semi-floating axle usually found in cars of moderate price.

The brakes are of new design, overlarge, gradual but powerful in application. They will hold the car anywhere.

In Overland cars the transmission is combined with the rear axle and the drive is in a straight line. Both these features make for saving of engine power and smooth and quiet running.

Come and take a look at it. Compare it with others. Take a ride in the big, fully equipped Overland; it involves no obligation on your part. Then draw your own conclusions. That's all.

Need a Humane Society.

Editor Democrat-Forum: Being forced to be a spectator of the horses hitched around the court house square, I would like to say in behalf of the poor dumb animals that I think Maryville needs a humane society and band of mercy. I noticed on Saturday, March 1, one of the most disagreeable days of the winter, that several horses were left standing all day without food and water or blankets. One team in particular the writer noticed was left from early morning until after 10 o'clock at night. I do not know how much longer. One only has to watch them a short time to see how they are suffering; how they restlessly push back and forth, as far as their halters will allow them, and look so longingly at every one that passes. Why can't the good people of Maryville take this matter up and make it a law that when a horse stands a certain length of time have the marshal order them taken care of, and make the owner pay for their board and keep.—A Friend of the Horses.

IT'S A MISTAKE.

Made by Many Maryville Residents. Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Maryville is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Maryville.

J. A. Murphy, 805 East Fourth street, Maryville, Mo., says: "Some years ago I publicly recommended Doan's Kidney Pills, and I am just as strong in my praise of them now as I was then. I got my first box of Doan's Kidney Pills at Love & Gaugh's drug store, and I do not hesitate to say that they are very reliable in curing kidney trouble and lame back."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Presumably, the difficulties the state has been undergoing over loaning out surplus funds to banks and trust companies will end very soon. The senate Friday, under a suspension of the rules passed Mr. Barbee's house bill, which authorizes these funds to be loaned out in one-eighth parts of the whole amount. Governor Major signed the bill Monday. It contains an emergency clause and will become operative at once. The old law does not permit of bids being received for less than one-twentieth, and this has resulted in keeping all the small financial concerns from bidding.

The Easy Laxative

In justice to yourself you should try Rexall Orderlies,—your money back if you don't like them. They are a candy confection that really do give easy relief from constipation.

Good health is largely dependent upon the bowels. When they become sluggish the waste material that is thrown off by the system accumulates. This condition generates poisons which circulate throughout the body, tending to create coated tongue, bad breath, headache, dull brain action, nervousness, biliousness and other annoyances.

Avoid harsh cathartics and physics. They give but temporary relief. They often aggravate the real trouble. They are particularly bad for children, delicate or aged persons.

Rexall Orderlies

Come in tablet form, taste just like candy and are noted for their easy, soothing action upon the bowels. They don't purge, gripe, cause nausea, looseness, nor the inconveniences attendant upon the use of purgatives. Their action is so pleasant that the taking of Rexall Orderlies almost becomes a desire instead of a duty.

Children like Rexall Orderlies. They are ideal for aged or delicate

persons as well as for the most robust. They act toward relieving constipation, and also to overcome its cause and to make unnecessary the frequent use of laxatives. They serve to tone and strengthen the nerves and muscles of the bowels and associated organs or glands.

Make Us Prove It

We guarantee to refund every penny paid us for Rexall Orderlies if they do not give entire satisfaction. We ask no promises and we in no way obligate you. Your mere word is sufficient for us to promptly and cheerfully refund the money.

Doesn't that prove that Rexall Orderlies must be right? You must know we would not dare make such a promise unless we were positively certain that Rexall Orderlies will do all we claim for them. There is no money risk attached to a trial of Rexall Orderlies, and in justice to yourself, you should not hesitate to test them.

Rexall Orderlies come in convenient vest-pocket size tin boxes; 12 tablets, 30¢; 36 tablets, 25¢; 50 tablets, 50¢.

CAUTION: Please bear in mind that Rexall Remedies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:

WILSON IN WASHINGTON

President Elect Is Cheered by Jubilant Thousands.

TO PAY CALL AT WHITE HOUSE

Mr. and Mrs. Wilson Will Be Received in Blue Room—After Family Reunion President Elect Will Attend Princeton Alumni Smoker.

Washington, March 3.—Woodrow Wilson, next president of the United States, arrived here this afternoon and every detail is complete for the inauguration ceremonies and the attendant military and civic demonstration tomorrow.

No president elect ever found the capital of the nation whose destinies he is to guide more brilliantly arrayed or more abundant with enthusiasm than Woodrow Wilson found it today. Flags and streamers from every staff and building waved him welcome and cheering thousands assembled in the spacious esplanade of the Union station approach and the streets through which he was driven to his hotel stirred the patriotism of his heart.

To Call at White House.

One of Mr. Wilson's last acts as a private citizen will be to call, with Mrs. Wilson, upon the president of the United States and Mrs. Taft. Arrangements for this were made today.

The president elect and Mrs. Wilson, soon after their arrival, received Colonel Spencer S. Cosby, chief aide to the president, who will escort them to the White House in the president's automobile. President and Mrs. Taft will receive them in the blue room. All the military and naval aides to the president, in regalia of their office, will be present, but none of the cabinet will attend. The meeting, as planned, will be brief, and the president elect and Mrs. Wilson will return to their hotel to a family dinner.

Bryan Arrives.

William Jennings Bryan and Joseph Daniels, generally accepted as the new secretary of state and secretary of the navy, respectively, reached Washington this morning. A committee met them at the train.

Hope for fair inauguration weather was extended by the weather bureau. Cold and clear weather today in this section will be followed tomorrow by higher temperature, the prediction is, and this brings relief from fears that the blizzard which swept in the administration of four years ago might be repeated.

HUERTA MAKING PROGRESS

Provisional Mexican Head Gains More Control.

Mexico City, March 3.—The first week of Huerta's administration has seen notable improvements in the general situation, but it is apparent that many weeks must pass before complete order is restored.

There is little doubt that the old Orozco army will be mustered out or incorporated in the regular establishment. The rebels in the south, the Zapatistas, seem likely to furnish the administration with the same problem as they did the Madero administration. A number of Zapatistas have surrendered, but Emiliano Zapata himself is still in the field and thousands of his men are continuing the warfare as outlaws, burning haciendas and raiding villages.

There is a most serious development in the north, especially in Coahuila, where Venustiano Carranza, the governor, far from recognizing the Huerta government, has grown stronger in his opposition each day.

Hilles to Take Agency.

Washington, March 3.—Charles D. Hilles, secretary to President Taft for the last two years, will quit the White House tomorrow, to become a partner of Edmund Dwight, resident manager at New York of the Employers' Liability Assurance corporation, limited, of London. Mr. Hilles will retain the chairmanship of the Republican national committee, for which he was chosen last summer.

Tveitmoes and Clancy Released on Bond. Leavenworth, Kan., March 3.—Olaf A. Tveitmoes and Eugene A. Clancy, both of San Francisco, two of the labor leaders convicted at Indianapolis last December upon the charge by the government of conspiring in the illegal transportation of explosives, were released upon bonds from the federal prison here.

Sackler Again Kidnaps Young Son. St. Louis, March 3.—Gordon Sackler, four years old, the thrice kidnapped son of a Springfield (Neb.) man, was stolen for the fourth time from the hands of his mother while the frantic woman fought desperately with her husband and two other men on the station platform at Valley park.

Tumulty's Salary Raised to \$7,500.

Washington, March 3.—A salary of \$7,500 a year for Joseph E. Tumulty, who will be President Wilson's secretary at the White House, was assured when the house agreed to accept the senate amendment to the general de-sciency bill fixing that amount instead of the \$6,000 originally proposed.

STOMACH STARVERS EAT ANYTHING NOW

No Indigestion or Upset Stomach for "Pape's Diapepsin" Users.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterward.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, beside, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.—Advertisement.

OLD AGE DEFERRED.

Echo From the Medico-Legal Society.

A few generations back a man at 50 was considered old, gray bearded, and waiting for death. Note the change today; at a meeting of the Medico-Legal society it was stated that a man of 50 ought to have forty good years ahead of him, and thus at 90 would be in the fullness of maturity.

What if you have seen sixty, or even seventy birthdays—temperate habits, fresh air and exercise, with a simple diet and a sufficient amount of sleep will guard your health.

If perchance your circulation is poor, if you become run down—weak and no appetite—nothing in the world will tone up those tired back-sliding organs—enrich the blood and create strength so quickly as our delicious cod liver and iron tonic Vinol.

We ask every feeble, discouraged old person in this vicinity to try Vinol on our agreement to return their money if it fails to give satisfaction. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

OLD-TIME REMEDY DARKENS THE HAIR

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a Hair Tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Nowadays, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

CLAIRVOYANT PROVES HIS CLAIM

Interview With the Noted Clairvoyant, Mr. Carl Bauer, Now Here.

Mr. Carl Bauer was visited yesterday by a prominent citizen of Maryville, who, after investigating his claims, pronounced him the most wonderful mortal he had ever met. The gentleman in question was an entire stranger to the professor and a skeptic. But it was not long before Mr. Bauer entered into his life from childhood up, telling him of past experiences and events that had almost escaped his memory concerning himself and those he associated with. More astonished was the gentleman when Mr. Bauer told him of his intentions, also advised him on matters of importance and of an absolutely private character. The investigator had never before become interested in clairvoyants, as he had classed them with fortune tellers, who guess and speculate for their subjects, but since his visit to Mr. Bauer he is willing to acknowledge that this, his first experience, has furnished food for reflection, and is almost ready to admit that there are unseen forces in a higher human intelligence that can operate on the minds of some favored or gifted mortals.

The investigator stated that he would not communicate his strange experience to his friends and acquaintances for fear they may perhaps doubt him, but will simply ask them to call on the professor and investigate for themselves; that in all justice to Mr. Bauer he deserves the attention of the thinking and investigating community, as he is from an intellectual standpoint a superior mortal. He possesses a mental power, force or gift that is phenomenal.

Mr. Bauer can be consulted at private residence, 322 North Mulberry street, corner Fourth, the Maplehurst, between the hours of 9 a. m. and 8 p. m. daily; 10 to 4 on Sundays.—Advertisement.

WHERE THE WAR IS

INTERESTING DISCOVERY OF THE BAND GIRLS.

HAD CHICKEN IN HORN

One Member of the Band Well Provided for Eats—Friends Made Trip Pleasant by Calling on Them.

The first news from the Missouri Ladies Military band of Maryville, which started Saturday for Washington, D. C., and is probably at this moment gloriously leading the parade of suffragettes about the streets of that city, provided those college students have not put everything feminine to flight by turning loose the mice:

Wabash Railway, En Route to Washington, D. C., March 1.—On to Washington! With hearty good wishes ringing in our ears we left Maryville on the 10:52 train for St. Louis. Just before the train arrived Dr. Nash rushed breathlessly into the station bearing a fifteen pound package of candy and a box of chewing gum. Within were the congratulations and good wishes of F. P. Reuillard. Oh, if it had arrived too late! Mark Turner also sent his good wishes with a large box of gum. Another good friend kindly had us conveyed to the station free of charge. Thus the courtesies commenced and have continued throughout the day.

No one could have been more kind and thoughtful for our comfort than Mr. D. B. Steeg, traveling passenger agent of the Pennsylvania railroad, who accompanied us from Maryville to St. Louis.

An usual, Jim Carpenter was in evidence with his kodak to take a picture of the band as we were grouped on the station platform.

Personal friends of the various members of the band met us at the different stations for many miles. At Stanberry we were enthusiastically greeted by a large delegation who had phoned to Maryville this morning, requesting a concert during the twenty minutes wait there.

Mr. and Mrs. Seiba Reager, relatives of Miss Nash, accompanied us from Stanberry to McFall.

A very interesting time arrived just after we left Stanberry, for it was the hour for lunch. Olives and pickles were much sought after. Miss Ora Quinn carried off the honors by eating the most olives and Miss May Shipp led a close second with the pickles.

About 3 o'clock the party had just settled themselves for a nap when the train arrived at Sumner, and calls were heard for Miss Nash. Same ladies (suffragettes) were on the station platform, and one of the most enthusiastic of them frantically shook her head at Miss Nash to emphasize her remarks. They were sorry they had not learned of our coming sooner, so they could have had a larger crowd to meet us, but were glad we were going to Washington to represent the cause, and assured us if we would let them know when we would return they would greet us royally. As we will arrive there about 3 a. m. on our return trip it is doubtful if we receive such honors.

At Keytesville some of the girls saw a curiosity in the form of a horse car. The line on which this car runs connects the station with the town, about a mile away.

When someone mentioned that we would pass through Mexico one of the younger members of the band said: "Oh, is that where the war is?"

Very little snow is to be seen as we

approach St. Louis. We are certainly having a delightful trip, and all are fully satisfied, except the two married members of the band, who are longing for their husbands.

When Miss Nash was giving final instructions for leaving the train at St. Louis, she said: "Girls, you must not go into St. Louis chewing gum." To this Elizabeth Nash replied: "No, if we do they will think we are amateurs (amateurs)." "

As we reached St. Louis we discovered that one of the girls was carrying a chicken in her horn. We did not inquire if it were alive or not.

We are just leaving St. Charles. We were greeted here by Miss Cornelia Hurst, a former member of the band. We will reach St. Louis a little late, but in plenty of time to make connections.

ADVERTISING THE TOWN.

Maryville Ladies Band Selling Post Cards Along the Way to Washington.

Mrs. Matt O'Brien received cards Monday morning from her daughter, Miss Mary O'Brien, containing brief bits of news from the Maryville ladies band, of which she is a member, that arrived in Washington, D. C., Monday morning. The cards were mailed at Brunswick, Mo., where the band arrived Saturday evening, and where they were treated to coffee by General Passenger Agent Steeg.

Miss O'Brien said that they were greeted by large crowds at every station on their way to Brunswick, and at the latter place they were greeted by quite a delegation of suffragettes. The two little girls of the band, Hazel Garrett and Elizabeth Nash, sold post cards at every stop on the road and were making quite a nice sum from them. The cards contained the picture of the ladies band, and underneath the picture are the words of the new song "Mary Villamo." When the train stopped Misses Hazel Vandervoort and Grace O'Brien, cornetists in the band, gave the bugle call, which was the signal for the little girls to begin selling their cards, and they were kept busy until time for the train to start.

VAUDEVILLE SHOW BY ELKS.

To Be Put On at Empire Theater on Tuesday Evening, March 25—Will Be a Musical Show.

The Elks will put on a big vaudeville show at the Empire theater on Tuesday evening, March 25. It promises to be bigger and better than ever, and it will be a good, clean show.

The program will contain many musical numbers from the leading musicians in the city. An orchestra composed of many of the members of the band will furnish the music. One act, selections from "The Firefly," is to be put on by the Maryville Conservatory, under direction of Miss Marie Gayle Jackson. Miss Bess Scott and Glenn Goff will put on a song and dance number; H. R. Hancock and daughter, Miss Mildred Hancock, and Miss Gladys Holt are to put on a popular song number; there is to be a dramatic sketch act; a big novelty act featuring an instrumental musical act by a brass sextet, under the direction of Abner Robertson. There will also be many other numbers, the program not being complete at this time.

HAS GRANT CITY PASTORATE.

Rev. D. W. Conner of Palestine, Ill., Will Begin Work With That Church the First of April.

Rev. D. W. Conner of Palestine, Ill., a former well known Christian church minister of Northwest Missouri, has accepted a call to the pastorate of the Christian church of Grant City and will take up his labors there April 1st.

Rev. Conner is not a stranger to the people of this section. He was district missionary for the churches of this part of Missouri for several years and his successful work in special meetings is well remembered.

The pastorate with the church in Illinois he is just leaving was in every way desirable and pleasant, but for some time it has been the wish of Rev. and Mrs. Conner to be near their daughters, Mrs. W. E. Goforth of Maryville and Mrs. M. E. Medsker of Skidmore, who are their only children, and for this reason the change was made. The news of their return to Missouri will be heard gladly by many friends in and out of the church they represent.

A PAPER OF 1800

ULSTER COUNTY GAZETTE TOLD OF WASHINGTON'S DEATH.

TRIUMPHED OVER DEATH

After an Account of the Funeral Paper Predicted Brightness of His Glory Would Illuminate Future.

An interesting newspaper, one which chronicles the death and burial of George Washington, first president of the United States, is the property of James Shull, who lives south of Skidmore. The name of the paper is the Ulster County Gazette, and its size is but four columns. It is dated January 4, 1800, and despite its great age is well preserved.

The paper is a memorial to the illustrious general who died in December, 1799, and as was the custom at that time, bears a heavy black border around the margin. The news of the death of Washington is put in type as follows:

Death of Washington.

"The melancholy event which was yesterday announced without doubt has been rendered too certain. Our Washington is no more. The hero, the sage, and the patriot of America—the man to whom in all times of danger every eye was turned, and all hopes were placed, lives now only in his own great actions and in the hearts of an afflicted people."

The foregoing is but the first paragraph of a long account of the death of the noted general. A message sent by the senate to President John Adams was also published. The following is the account of the last rites to Washington as published by the little newspaper:

GENERAL.

GEORGE WASHINGTON.

Departed this life on the 14th December, 1799, Aet. 68.

Between three and four o'clock the sound of artillery from a vessel in the river, firing minute guns, awoke afresh our solemn sorrow—the corpse was removed—a band of music with mournful melody melted the soul into all the tenderness of woe.

The procession was formed and moved on in the following order:

Cavalry, infantry, guard, music, clergy, with arms reversed.

The general's horse with his saddle, holsters and pistols.

Cols. Sims, Payne, Ramsay, Gilpin, Marteller, Little, pallbearers. Mourners, Masonic brethren, citizens.

When the procession had arrived at the bottom of the elevated lawn, on the bank of the Potomac, where the family vault is placed, the cavalry halted, the infantry marched toward the mound and formed their lines—the clergy, the Masonic brothers, and the citizens descended to the vault, and the funeral service of the church was performed. The firing was repeated from the vessel in the river, and the sounds echoed from the woods and hills around.

Three general discharges by the infantry, the cavalry and eleven pieces of artillery, which lined the banks of the Potomac back to the vault, paid the last tribute to the entombed commander-in-chief of the armies of the United States and to the departed hero.

The sun was now setting, alas! the son of glory was set forever. No—the name of WASHINGTON—the American president and general—will triumph over death! The unclouded brightness of his glory will illuminate the future ages!—Skidmore New Era.

WOODMEN TO STANBERRY.

Many Members of Local Lodge Put on Work Saturday Night for the Stanberry Lodge.

Many members of the Woodmen of the World lodge of this city went to Stanberry Saturday night to visit the Woodman lodge of that town and put on the degree work. Fourteen new members were initiated in the Stanberry lodge that night. A good time was had by the Maryville members. The following were those that were in the Maryville party: Roy Martin, Charles W. Kiser, R. F. Wallace, A. L. Kelley, Victor Pinnell, W. B. Blachley, Lon Shanks, John Touhey, Will Saunders, C. A. Wilson, Ezra Phipps, Clarence Phipps, P. W. Leffler, Bert Charles, Guy Ray, Will Edwards, Wm. Job, Jr., Will Burnham, Lenn Costello, Lester Sipes, Walter Miller and Charles Robey.

In the matter of naturalization of Albert Bengsten, application for citizenship, certificate of citizenship ordered by court.

The Charles Will Filed.

The will of the late O. P. Charles was filed in probate court Saturday afternoon. The will was written April 22, 1912, and was witnessed by N. J. Vickery and Samuel Corrough of Arkoe. By the terms of the will the estate, both real and personal, is left to his wife, and at her death the estate is to be divided equally among the following children, Edwin R., Henry M., Franklin L., Ellen E., Eva J., Parmelia G., Mary M. and Cyrus W. J. T. Goff was named executor of the estate.

To Kansas City.

Attorney L. C. Cook left this afternoon for Kansas City, where he has a case before the Kansas City court of appeals.

W. E. John of St. Joseph was visiting his parents, Rev. and Mrs. C. H. John, in Maryville Saturday and Sunday. He left Sunday for Quincy, Ill., on a business visit.

DIED SUNDAY MORNING.

Nora Martin Willett Died After a Long Illness of Tuberculosis—Funeral Wednesday.

Mrs. Nora Willett, who has been ill of consumption for several months at the home of her parents, Mr. and Mrs. Thomas Martin, 421 West Fifth street, died Sunday morning at 3 o'clock.

The funeral services will be held Wednesday afternoon at 2 o'clock at the Martin home and will be conducted by Rev. Gilbert S. Cox of the First M. E. church.

Mrs. Willett was born in Maryville December 21, 1871, and lived in this city practically all of her life. She was married May 17, 1900, to Eugene Willett of Topeka, Kan., whose death occurred there August 23, 1906. Two children were born to them, Thomas Eugene, who died at the age of 4 months, and Nona Lucial, who survived the mother, at the age of 9 years.

Mrs. Willett has made her home in Maryville since the death of her husband. She was a member of the First M. E. church of this city and bore her long illness with true Christian fortitude. She was a member of the Mystic Circle, and also carried insurance in the Chicago Life Insurance company. Her little daughter, Mona, will return to Topeka, Kan., with her grandmother, Mrs. T. A. Potts, to make her home.

Mrs. Willett is survived by her parents, a sister, Mrs. Frank Henry of Pocatello, Idaho, and three brothers, Charles Martin of St. Joseph and Harry and Ed Martin, living northeast of Maryville, all of whom will be present at the funeral.

A TIMELY WORD.

The Experience of One Family Should Make Us Take Notice of Our Quarantine Laws.

Mr. Sam Wallace of Sum, Ia., came to Maryville this morning to accompany his wife and little son home, after a two weeks stay at St. Francis hospital.

Mr. and Mrs. Wallace both feel they are the victims of some one's carelessness.

At the time of the scarlet fever epidemic in the north part of the county they made a point of staying at home, and used every possible precaution to keep their children from getting the disease.

All these precautions were of no avail, however, for the last of December the oldest boy, 11 years old, took down sick, and the doctor pronounced it scarlet fever, and placed the family under quarantine. Next the mother took the disease, and then the little 4-year-old boy. After seven weeks of quarantine the home was fumigated and the family released.

At this time the youngest child developed a mastoid abscess and was at once hurried to the hospital here, where Dr. F. R. Anthony performed the very critical operation which saved the child's life.

Now comes the injustice. These people undoubtedly got the contagion from one of the so-called quarantined away from home people.

A great many people do not look at the serious side of the matter, and think because the disease is in a light form they don't need to mind the quarantine, and if they can slip in home and out again without any one knowing it they are doing something smart. The Wallace family is reaping the aftermath of this smartness—seven weeks sickness and quarantine, a two hundred dollar doctor and hospital bill, and a little child left delicate for years, if not for life.

Something evidently should be done. If the laws cannot be enforced as they are then they should be made more stringent.

A community has a right to protect itself, even if it has to form a shotgun brigade.

Insist on a strict quarantine and a long one. No slipping in and out again "between the dark and the daylight," and at the last a thorough fumigation by a person competent to do the work.

As there are several contagious diseases in the county at the present we hope this will be a "hint to the wise."

Many Hopkins People Here.

About forty people from Hopkins and community were in the city Monday, being witnesses in the divorce case of Maggie Reeder vs. Albert Reeder, which was set for trial for Monday in circuit court. The case, however, will not come up until Tuesday. W. L. Morehead of the Hopkins Journal and Wm. Miles were members of the Hopkins party.

Visiting Nephew Here.

Frank R. McWilliams of Des Moines, Ia., came to Maryville Saturday evening and is the guest of his nephew, Fred J. Yeomans, and wife of South Main street.

400 AGAINST IT

REMONSTRANCE AGAINST HIRING COUNTY FARM ADVISOR.

FROM WEST OF COUNTY

Not Likely County Court Will Act on Matter—No Action to Be Taken on the Grand Jury Report.

At the session of the county court Monday afternoon, this being their regular monthly meeting, a remonstrance petition containing 400 names was filed, requesting the court not to hire a county advisor, as it was not for the best interests of the farmers. The petition was signed by farmers and business men in and near Burlington Junction, Quitman and Skidmore, and the petition was presented by H. C. Hites of Burlington Junction.

These names to the remonstrance petition, it is said, were secured within a short time, and Mr. Hites is of the opinion that a great many more farmers and business men all over the county are not in favor of the plan.

The court is not to take up the matter of hiring a county advisor, at least not at this term, and probably never. They don't seem to be in favor of spending the county's money for that purpose.

The court will not at this term act on the recommendations of the recent grand jury as to the conditions at the county home, the court house and jail, and the improvements and cleaning up to do.

CLOSED THE SCHOOLS.

Skidmore is Taking Every Precaution to Prevent the Spread of Smallpox—No Public Gatherings.

The schools of Skidmore will be closed this week, but if no new cases of smallpox develop the usual school work will be resumed next Monday.

The picture show has been shut down and there will be no church services until all danger is past. No one is allowed on the street who has not some special reason for being there and there is no visiting. All children are kept at home and only the older children of the families are allowed to go on errands uptown.

Rules adopted by the town board will be strictly enforced, and any one who does not abide by them will be severely dealt with.

FIRST SERMON SUNDAY.

Rev. E. W. Killion, the New Pastor of the Pickering Christian Church Was Well Received.

Although Sunday was the coldest of the winter, a good audience greeted Rev. E. W. Killion, who, with his family, moved to Pickering last week, where he began his pastorate with the Christian church of that place. Rev. Killion is a graduate of the Christian university at Canton, Mo., and has had seven years experience as a pastor.

Wabash Train Robbed.

Wabash train No. 1, that is due to Maryville at 6 o'clock, was robbed near St. Charles, Mo., on Saturday night about 9:30 o'clock. The Des Moines Pullman on the train was the only car held up. Dr. F. Auten of Belleville, Ill., was one of the victims of the robbers and \$3 was taken from him, as he threw his pocketbook and watch in the berth of the sleeper. Dr. Auten came to Maryville, arriving here Sunday morning for a visit with his brother, C. A. Auten, living near Maryville.

Miss Eva Rogers, who has been attending the State Normal the past year, left Saturday for her home near Stanberry and will teach the spring term of school in her district.

Conrad Yehle returned Monday morning from a business trip to St. Louis and Chicago for the Alderman Dry Goods company.

George Evans and family are moving this week to his farm, near Salisbury, Mo., where they are to make their home.

NOTES OF THE NORMAL.

A good sized enrollment marked the opening day, Monday, of the spring quarter. A large number of the winter students have returned and several new ones are coming in.

The girls' basketball team was defeated at Cameron Saturday night by the Missouri Wesleyan girls. The score was 36 to 9. The locals were badly outclassed in the first half, which ended 26 to 3, but in the final period they played a much better game and counted six while their opponents got 10. The game was played in the college gymnasium and the locals were greatly handicapped by a row of iron posts and an extremely slippery cement floor. The Cameron girls will play a return game in two weeks and the Normal damsels expect to make a much better showing.

The Normal second basketball team will play the Albany high school five next Friday night on the Normal floor. The youths from the Gentry county capital have been beating everything in their locality and claim the high school championship of "these parts."

NEW LEADER IN SINGLES

W. A. Spencer of Chicago Goes Ahead With Score of 658.

Toledo, O., March 3.—New leaders cropped out in the individual events of the American Bowling congress tournament.

With a score of 658 W. A. Spencer of Chicago went into the lead, relegating Howley, who led on Saturday, to third place.

J. Wagner of Cincinnati landed second place in the play with a score of 648, while Wilson of Chicago went into fourth place with 642.

In the two-man team event Small and Drew of Chicago rolled into fourth place with 1,295, the only score of the day above 1,200.

Peruvian Indians Hostile.
Guayaquil, Ecuador, March 3.—Officials of the eastern region report the Ecuadorian Indians recently attacked a Peruvian settlement on the Morena river. They killed three officers several soldiers and two women and captured the settlement, the other Peruvians escaping into caves.

SENATORS JOIN WOMEN'S PARADE

Eight Members of House Also
March Through Capital.

Washington, March 3.—Official Washington was represented today in the first woman suffrage parade and pageant ever held in Washington by seven senators and eight members of the lower house.

Mrs. Richard Coke Burleson was the grand marshal of the parade and Miss Inez Milholland of New York, its herald. The first section of the parade typified "World Wide Movement for Woman Suffrage" and was headed by Mrs. Carrie Chapman Catt, president of the International Suffrage Alliance. The second section represented "Seventy-five Years' Struggle for Freedom, or Justice Conquering Prejudice" and was exemplified in a series of floats.

The third section portrayed the idea that "Man and Woman Make the State; Man Alone Rules the States." Floats here revealed woman in the field, the farm, the home, in patriotic service, in education, medicine, law, labor, government and other fields of endeavor.

"The Appeal of Business and the Professions" was the motto of the fourth section; the "Appeal of the States" that of the sixth section. The fifth section comprised uninformed women marchers and the seventh section consisted of delegations from states where suffrage has been wholly or partly granted.

NORMAL BASKET BALL PAID.

Surplus in Treasury at End of Season—Team Won Eight Out of Twelve Games.

Local patrons of basketball have paid out \$344.75 for admission to games at the Normal gymnasium this winter, according to the report of Manager John Anderson of the Normal basketball team. That amount includes only the games played by the Normal first team with out-of-town teams, and counting the receipts of the city league games and the local high school games the amount would total near \$400. The basketball season of the Normal, which closed last Thursday night, was not only a success financially, there being a surplus of \$77 at the close of the season, but the green and white warriors won eight of the twelve games played with outside teams and won the pennant in the city league with nine games won and none lost.

Below are the season's scores:

Normal 66, Christian Brothers College 29.
Normal 45, St. Joseph Business University 21.
Normal 36, Platts, St. Joseph 38.
Normal 28, Tarkio college 43.
Normal 45, St. Joseph Central 21.
Normal 36, St. Joseph Benton 25.
Normal 29, Missouri Wesleyan 44.
Normal 50, Missouri Wesleyan 20.
Normal 40, Amity college 22.
Normal 47, Benton 25.
Normal 44, St. Joseph Central 36.
Normal 31, Tarkio college 35.
Total Normal 497, total opponents 359.

DROPS A GAME TO CENTRAL.

Maryville Was Easily Defeated Saturday Night in Fast Contest.

Central high school's basketball team of St. Joseph Saturday night overwhelmed the Maryville high school five by a score of 68 to 19 in that city. The game was a walk away from the start, Central taking a good lead after a few minutes of playing. The first half ended with the score standing 31 to 15, favoring Central. The visitors made only four points during the entire second half, while Central made a total of 37 points in the same session.

Central put forth a wonderful display of team work, and even then there was a great amount of individual shooting. For the visitors, Leech the forward and captain, was easily the peer, throwing all of the free tries and doing good work as forward. The score:

WORK OF THE LAST CONGRESS

Sixty-Second Session Marks
Epoch-Making Party Struggle.

RECIPROCITY FIGHT CAME FIRST

Several Personal Contests of Lasting Force Take Place and Many Important Changes Are Inaugurated—Numerous Investigations.

Washington, March 3.—With the adjournment of congress tomorrow noon the end will be written to two years of epoch-making struggle within party ranks; and to three sessions of effort, only partially successful, to adjust the differences between a Democratic house, a senate under Democratic-Progressive control and a Republican president.

Many important pieces of legislation have been enacted within that time; investigations of a peculiar significance to the public have been conducted; and many subjects of general interest have been laid aside without action. The tariff, attacked alike from Democratic and Republican sources twice during that period, has been the subject of attempted revision, but none of the proposed changes became effective.

The Sixty-second congress opened in 1911 with a special session called by President Taft to consider Canadian reciprocity; it ends with an extra session of the Sixty-third congress only a few weeks away, to be called by President Wilson for a general revision of the Payne-Aldrich tariff law. National conventions, the birth of a new party, a general election and a complete change of administration have intervened between its beginning and its end. Activities of the short session now closing have been limited almost entirely to routine work, because of the determination to leave to the new administration all of the important subjects of a general character.

Accomplishments of Session.
Perhaps the most important developments of the entire congress are the following:

New federal bureau of labor created with cabinet officer at its head.
Physical valuation of the property of railroads and other common carriers to form basis for rate making.

Canadian reciprocity law passed, but rejected by Canada.

Constitutional amendment for popular election of senators submitted to the states.

Shipment of liquor into prohibitory states forbidden by law.

Arbitration treaties with Great Britain and France negotiated, but failed of ratification because of changes made by the senate.

Termination of the treaty of 1825 with Russia demanded by congress.

Notice served on the world by the senate that the United States will not permit foreign nations to secure military or naval footholds where they might threaten the safety of this country.

Children's bureau created in department of commerce and labor.

Panama canal law passed, establishing free passage for American coastwise ships and barring railroad owned vessels from the canal.

Campaign publicity laws passed, requiring a complete public accounting of all campaign funds.

William Lorimer declared not entitled to seat as senator from Illinois.

Judge Robert W. Archbald of commerce court impeached and convicted on charges of judicial misconduct.

Money trust investigation conducted, disclosing detailed methods of present day financial operation.

Campaign expenditures investigated, covering campaign funds of 1904, 1908 and 1912, and disclosing correspondence between John D. Archbald of the Standard Oil company and members of congress.

Investigation made of formation and operation of the United States Steel corporation.

STRUGGLE WITH BIG BILLS

House and Senate Conferences Deadlock Over Naval Measure.

Washington, March 3.—With both the senate and the house in the unusual situation of sitting in the legislative session of Sunday the Sixty-second congress dragged its weary way towards its conclusion that will come at noon tomorrow.

The two battleship program was threatened with defeat when the house and senate conferees decided they could make no agreement between the one battleship program of the house and the two battleship program of the senate. The result threatens the defeat of the entire \$150,000,000 naval appropriation bill. The house conferees declined to yield the one battleship program and also refused to take the issue back to the house for another vote.

Agreements in the senate on the river and harbor bill and the post office appropriation bill had cleared the situation somewhat.

A bitter fight in the conference committee having the public buildings bill in charge left the fate of the measure in doubt. It was believed that all other appropriation bills, with the possible exception of the District of Columbia measure, would be finally agreed to in time to receive the signature of President Taft.

Mrs. Leslie Dean read "A Story of a Chinese Bible Woman, A-Bing," in the absence of Miss Lucile Airy. During the business session Mrs. Dean and Mrs. Roy Collins were elected delegates to the district convention that will meet in Mound City in April. The hostess was assisted during the social hour by her daughter, Miss Carrie Margaret Baker, and Mrs. Dean. There was a large attendance of the members and one visitor, Mrs. J. C. Allender. The meeting was one of the best the society has held.

Here for Niece's Wedding.

Mr. and Mrs. D. F. Boyd of Kansas City arrived in Maryville Sunday night and are guests of Mrs. Boyd's sister, Mrs. F. G. Shoemaker, and family. The visitors are here to attend the wedding of Mrs. Boyd's niece, Miss Esther Shoemaker, Saturday evening March 15 to Mr. Oliver K. Bovard.

Aid Society Meeting.

There will be a called meeting of the Ladies' Aid society and the Missionary society of the Buchanan Street Methodist church Tuesday afternoon at 2:30 at the church. Rev. Randolph desires a large attendance as there are matters of importance to be brought before the members.

Announcement Party.

Mrs. Frank G. Shoemaker announced the engagement of her daughter, Miss Esther Shoemaker, with an informal party Saturday afternoon, the guests including the intimate friends of the bride-to-be. There were two tables of guests at six-hand euchre, and during the luncheon that followed Mrs. Luther Forsyth found the card with the names.

Esther Mary Shoemaker,
Oliver Kurby Bovard.
March 15, 1913.

The favors at luncheon were small lace baskets filled with candies, and the honor and pleasure of announcing the happy news fell to Mrs. Forsyth. The wedding will take place Saturday evening at 8 o'clock.

Robey-Lynch Wedding.

A quiet wedding took place Sunday afternoon at 2:30 o'clock at the home

of Mr. and Mrs. W. L. Robey, on East First street, when their daughter, Miss Ona Robey, was married to Mr. Frank Lynch, a young farmer of near Ravenwood. The ceremony was performed by Rev. C. J. Miller of the First Christian church, in the presence of relatives and the members of the Jewel Art club, of which the bride was a member. The bride wore a wedding gown of white silk voile with ratine embroidery and trimmings of crochet buttons. Her only jewelry was a string of pearls and her wedding ring. After the ceremony a luncheon in pink and white was served. The guests, aside from the members of the Jewel Art club, were Rev. and Mrs. C. J. Miller, Mayor and Mrs. A. S. Robey, Mrs. Anna Daniels, Mrs. Verna Murphy, Mr. and Mrs. Henry Trullinger and Will Seeley.

Commissioner of Corporations Conant Submits Findings.

MONOPOLISTIC IN CHARACTER.

Gains Great Command of Capital—Inorgan and Rockefeller's Friendship Is Great Aid. Competitive Methods Criticized.

Washington, March 3.—The power of the International Harvester company—the so called harvester trust—which the federal government is seeking to dissolve under the Sherman law, lies in its monopolistic position, its superior command of capital, including its connections with J. P. Morgan & Co. and John D. Rockefeller, and certain objectionable competitive methods, according to Luther Conant, Jr., commissioner of corporations, in his report on the operations of the giant corporations, just submitted to President Taft.

"The chief features of the International Harvester company's operations," says Mr. Conant, "are the substantial maintenance of its monopolistic position in the harvesting machine business, originally acquired through combination, and its extensions on a large scale into new lines of the farm machinery industry. The company has been able to do this in part through the acquisition of some of its chief rivals in the harvesting machine business; in part by using its monopolistic advantage in these harvesting machine lines to force the sale of its new lines; in part by certain objectionable competitive methods; and especially through its exceptional command of capital, itself the result of combination."

The harvester investigation was made in response to a senate resolution several years ago. Recently a request was made by representatives of the company that the report be withheld pending the outcome of the anti-trust suit, but President Taft decided to make it public.

Dissolution Plan.

Pointing to the recent action of the company in splitting into two corporations, each with \$70,000,000 capital stock, one retaining the old harvester machine plants and the other taking over the new lines and foreign business, Mr. Conant comments:

"If this is intended as part of a plan for ultimate disintegration of the combination, in the opinion of the bureau, it is unsatisfactory."

The investigation, the report says, disclosed low rates of profits in the early years of the combination, partly owing to imperfect organization and internal jealousies, but much higher rates in recent years, averaging about 12½ per cent in 1909-1911 on net assets (exclusive of good will), according to the bureau's estimates.

Generally speaking, says the commissioner, the prices obtained by the company on foreign sales are relatively higher than those in the domestic market, netting in some cases a 10 per cent margin of profit.

BANDIT LOSES HIS NERVE

Robs Two Passengers and Then Makes His Escape From Train.

St. Louis, March 3.—Wabash train No. 1, which left here for Kansas City, was robbed by a lone bandit before it was beyond the city limits.

The bandit boarded the train at Delmar station, near the western edge of the city, and entering the Des Moines sleeper, drew his revolver on J. L. Kennard and, compelling him to lead the way, started down the aisle to collect money from the passengers.

The first passenger the bandit approached was W. C. Wiley of St. Louis, from whom he took \$10 and a watch. He next commanded A. M. Snedden to hand over his money. Mr. Snedden drew 30 cents from his pocket, handed it to the robber and before the astonished bandit had time to demand more, locked himself in a wash room.

The bandit then seemed to lose his nerve and, pulling the air brake cord, stopped the train at Glen Echo, a small station about thirteen miles west of St. Louis, and escaped in the darkness.

HAYDEN WILL IS CONTESTED

Twelve St. Louis Catholic Institutions Named as Defendants.

St. Louis, March 3.—A suit to break the will of Thomas F. Hayden, who died last April, leaving an estate of \$600,000, was filed here. Archbishop Glennon of the Catholic province of St. Louis and twelve Catholic institutions, to each of which \$10,000 was willed, are named as defendants. The suit was brought by P. S. and P. A. Naughton, nephews, and by Edward C. Naughton, a grandnephew.

Heike Gets Clemency.

Washington, March 3.—President Taft commuted the sentence of Charles R. Heike, secretary and treasurer of the American Sugar Refining company, to eight months in the New York county penitentiary and a fine of \$5,000. Heike was convicted of conspiracy to defraud the United States in effecting entry of dutiable sugar at less than its true cost.

Feel Earthquake.

Guayaquil, Ecuador, March 3.—Slight earth shocks were felt here.

\$985 See the Picture of the Car—the price puzzles You; Read the description—the price astonishes You; Drive the Car—the price delights You;

The Overland

As handsome a car as the most exacting buyer could desire. From cooler to tail-light impressive, every line indicating fleetness and power, eloquent of comfort and pleasure, built with faithful regard to genuine quality, correct, invulnerable in every mechanical detail, the best in its class that American skill can produce and money can buy.

That is the Overland.

They don't build only 5,000 of them; nor even 10,000. If they produced no more than that number of cars, they too, would have to ask at least \$1300 for the beautiful car we offer at \$985 F. O. B. Toledo.

They build 40,000 cars this season. They contract for the raw material for this enormous production at one time, pay for it in cash, and thereby secure the best the markets afford, at the lowest prices.

The price includes everything needed for comfortable touring; acetylene engine starter, gas tank, gas and oil lamps, genuine mohair top and top covering, clear vision, rain-vision windshield, Warner speedometer, horn, robe-rail, foot-rest, tire carriers in the rear of the car, etc.

The Overland motor is the best of its type. Some

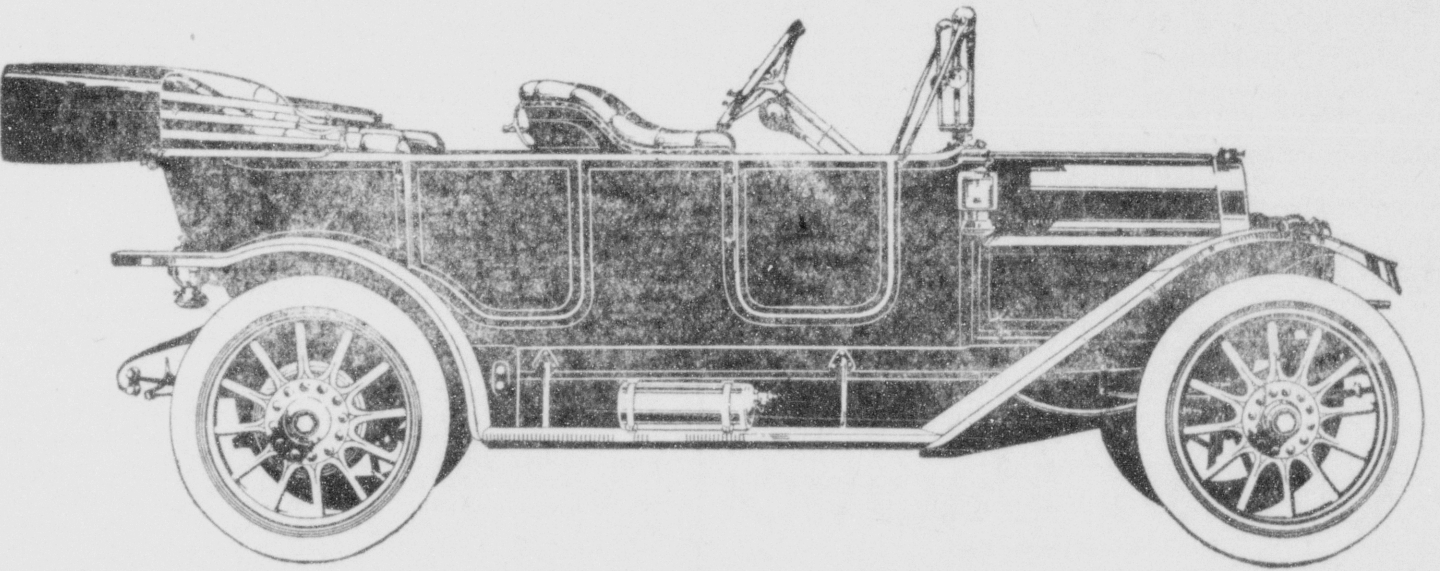

motors—this is an important point—have three main bearings, some only two. Overland motors have five large main bearings; that's one of the reasons why they work without trouble. The whole motor is built for power and endurance.

The Overland model 69 rear axle is of a new and improved type, three-quarter floating; this axle system has all the advantages of the full-floating axle, but none of the shortcomings of the semi-floating axle usually found in cars of moderate price.

The brakes are of new design, overlarge, gradual but powerful in application. They will hold the car anywhere.

In Overland cars the transmission is combined with the rear axle and the drive is in a straight line. Both these features make for saving of engine power and smooth and quiet running.

Come and take a look at it. Compare it with others. Take a ride in the big, fully equipped Overland; it involves no obligation on your part. Then draw your own conclusions. That's all.

Maryville and Burlington Junction

Communication

Need a Humane Society.

Editor Democrat-Forum: Being forced to be a spectator of the horses hitched around the court house square, I would like to say in behalf of the poor dumb animals that I think Maryville needs a humane society and band of mercy. I noticed on Saturday, March 1, one of the most disagreeable days of the winter, that several horses were left standing all day without food and water or blankets. One team in particular the writer noticed was left from early morning until after 10 o'clock at night. I do not know how much longer. One only has to watch them a short time to see how they are suffering; how they restlessly push back and forth, as far as their halters will allow them, and look so longingly at every one that passes. Why can't the good people of Maryville take this matter up and make it a law that when a horse stands a certain length of time have the marshal order them taken care of, and make the owner pay for their board and keep.—A Friend of the Horses.

When in St. Joseph stop at Hotel Ryan (European), 313 South Sixth street. Steam heated rooms 50 cents to \$1.00 per day.

Guest From Burlington Junction.
Miss Arvilla Staples of Burlington Junction spent the day Saturday in Maryville, the guest of Mrs. J. T. Linville. Miss Staples went to Rosedale Saturday evening to visit Mrs. S. Burdick.

Play on Wednesday Night.

The home talent play "Hazel Adams" is to be given at Moon hall in Arkoe Wednesday night, March 5. It was to have been given Saturday, but owing to the storm was put off until Wednesday. The play is by the people of the Arkoe vicinity and is for the benefit of the Methodist church.

IT'S A MISTAKE.

Made by Many Maryville Residents.

Many people in a misguided effort to get rid of kidney backache, rely on plasters, liniments and other makeshifts. The right treatment is kidney treatment and a remarkably recommended kidney medicine is Doan's Kidney Pills. Maryville is no exception.

The proof is at your very door. The following is an experience typical of the work of Doan's Kidney Pills in Maryville.

J. A. Murphy, 805 East Fourth street, Maryville, Mo., says: "Some years ago I publicly recommended Doan's Kidney Pills, and I am just as strong in my praise of them now as I was then. I got my first box of Doan's Kidney Pills at Love & Gaugh's drug store, and I do not hesitate to say that they are very reliable in curing kidney trouble and lame back."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Presumably, the difficulties the state has been undergoing over loaning out surplus funds to banks and trust companies will end very soon. The senate Friday, under a suspension of the rules passed Mr. Barbee's house bill, which authorizes these funds to be loaned out in one-eighth parts of the whole amount. Governor Major signed the bill Monday. It contains an emergency clause and will become operative at once. The old law does not permit of bids being received for less than one-twentieth, and this has resulted in keeping all the small financial concerns from bidding.

The Easy Laxative

In justice to yourself you should try Rexall Orderlies,—your money back if you don't like them. They are a candy confection that really do give easy relief from constipation.

Good health is largely dependent upon the bowels. When they become sluggish the waste material that is thrown off by the system accumulates. This condition generates poisons which circulate throughout the body, tending to create coated tongue, bad breath, headache, dull brain action, nervousness, biliousness and other annoyances.

Avoid harsh cathartics and physics. They give but temporary relief. They often aggravate the real trouble. They are particularly bad for children, delicate or aged persons.

Rexall Orderlies

Come in tablet form, taste just like candy and are not sticky. They exert a soothing action upon the bowels. They don't purge, gripe, cause nausea, looseness, nor the inconveniences attendant upon the use of purgatives. Their action is so pleasant that the taking of Rexall Orderlies almost becomes a desire instead of a duty.

Children like Rexall Orderlies. They are ideal for aged or delicate

persons as well as for the most robust. They act toward relieving constipation, and also to overcome its cause and to make unnecessary the frequent use of laxatives. They serve to tone and strengthen the nerves and muscles of the bowels and associated organs or glands.

Make Us Prove It

We guarantee to refund every penny paid us for Rexall Orderlies if they do not give entire satisfaction. We ask no promises and we in no way obligate you. Your mere word is sufficient for us to promptly and cheerfully refund the money.

Doesn't that prove that Rexall Orderlies must be right? You must know we would not dare make such a promise unless we were positively certain that Rexall Orderlies will do all we claim for them. There is no money risk attached to a trial of Rexall Orderlies, and in justice to yourself, you should not hesitate to test them.

Rexall Orderlies come in convenient vest-pocket size tin boxes: 12 tablets, 10c; 36 tablets, 25c; 80 tablets, 50c.

CAUTION: Please bear in mind that Rexall Remedies are not sold by all druggists. You can buy Rexall Orderlies only at The Rexall Stores. You can buy Rexall Orderlies in this community only at our store:

WILSON IN WASHINGTON

President Elect is Cheered by Jubilant Thousands.

TO PAY CALL AT WHITE HOUSE

Mr. and Mrs. Wilson Will Be Received in Blue Room—After Family Reception President Elect Will Attend Princeton Alumni Smoker.

Washington, March 3.—Woodrow Wilson, next president of the United States, arrived here this afternoon and every detail is complete for the inauguration ceremonies and the attendant military and civic demonstration tomorrow.

No president elect ever found the capital of the nation whose destinies he is to guide more brilliantly arrayed or more abundant with enthusiasm than Woodrow Wilson found it today. Flags and streamers from every staff and building waved him welcome and cheering thousands assembled in the spacious esplanade of the Union station approach and the streets through which he was driven to his hotel stirred the patriotism of his heart.

To Call at White House.

One of Mr. Wilson's last acts as a private citizen will be to call, with Mrs. Wilson, upon the president of the United States and Mrs. Taft. Arrangements for this were made today.

The president elect and Mrs. Wilson, soon after their arrival, received Colonel Spencer S. Cosby, chief aide to the president, who will escort them to the White House in the president's automobile. President and Mrs. Taft will receive them in the Blue room. All the military and naval aides to the president, in regalia of their office, will be present, but none of the cabinet will attend. The meeting, as planned, will be brief, and the president elect and Mrs. Wilson will return to their hotel to a family dinner.

Bryan Arrives.

William Jennings Bryan and Joseph Daniels, generally accepted as the new secretary of state and secretary of the navy, respectively, reached Washington this morning. A committee met them at the train.

Hope for fair inauguration weather was extended by the weather bureau. Cold and clear weather today in this section will be followed tomorrow by higher temperature, the prediction is, and this brings relief from fears that the blizzard which swept in the administration of four years ago might be repeated.

HUERTA MAKING PROGRESS

Provisional Mexican Head Gains More Control.

Mexico City, March 3.—The first week of Huerta's administration has seen notable improvements in the general situation, but it is apparent that many weeks must pass before complete order is restored.

There is little doubt that the old Orozco army will be mustered out or incorporated in the regular establishment. The rebels in the south, the Zapatistas, seem likely to furnish the administration with the same problem as they did the Madero administration. A number of Zapatistas have surrendered, but Emiliano Zapata himself is still in the field and thousands of his men are continuing the warfare as outlaws, burning haciendas and raiding villages.

There is a most serious development in the north, especially in Coahuila, where Venustiano Carranza, the governor, far from recognizing the Huerta government, has grown stronger in his opposition each day.

Hilles to Take Agency.

Washington, March 3.—Charles D. Hilles, secretary to President Taft for the last two years, will quit the White House tomorrow, to become a partner of Edmund Dwight, resident manager at New York of the Employers' Liability Assurance corporation, limited, of London. Mr. Hilles will retain the chairmanship of the Republican national committee, for which he was chosen last summer.

Tveitmoose and Clancy Released on Bond. Leavenworth, Kan., March 3.—Olaf A. Tveitmoose and Eugene A. Clancy, both of San Francisco, two of the labor leaders convicted at Indianapolis last December upon the charge by the government of conspiring in the illegal transportation of explosives, were released upon bonds from the federal prison here.

Sackler Again Kidnaps Young Son.

St. Louis, March 3.—Gordon Sackler, four years old, the thrice kidnapped son of a Springfield (Neb.) man, was stolen for the fourth time from the hands of his mother while the frantic woman fought desperately with her husband and two other men on the station platform at Valley park.

Tumulty's Salary Raised to \$7,500.

Washington, March 3.—A salary of \$7,500 a year for Joseph E. Tumulty, who will be President Wilson's secretary at the White House, was assured when the house agreed to accept the senate amendment to the general deficiency bill fixing that amount instead of the \$6,000 originally proposed.

STOMACH STARVERS EAT ANYTHING NOW

No Indigestion or Upset Stomach for "Pape's Diapepsin" Users.

Every year regularly more than a million stomach sufferers in the United States, England and Canada take Pape's Diapepsin, and realize not only immediate, but lasting relief.

This harmless preparation will digest anything you eat and overcome a sour, gassy or out-of-order stomach five minutes afterward.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal griping. This will all go, and, beside, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out-of-order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain more than sufficient to thoroughly cure almost any case of dyspepsia, indigestion or any other stomach disorder.—Advertisement.

OLD AGE DEFERRED.

Echo From the Medico-Legal Society.

A few generations back a man at 50 was considered old, gray bearded, and waiting for death. Note the change today; at a meeting of the Medico-Legal society it was stated that a man of 50 ought to have forty good years ahead of him, and thus at 90 would be in the fullness of maturity.

What if you have seen sixty, or even seventy birthdays—temperate habits, fresh air and exercise, with a simple diet and a sufficient amount of sleep will guard your health.

If perchance your circulation is poor, if you become run down—weak and no appetite—nothing in the world will tone up those tired back-sliding organs—enrich the blood and create strength so quickly as our delicious cod liver and iron tonic Vinol.

We ask every feeble, discouraged old person in this vicinity to try Vinol on our agreement to return their money if it fails to give satisfaction. Orear-Henry Drug Co., Maryville, Mo.—Advertisement.

OLD-TIME REMEDY DARKENS THE HAIR

Gives Color, Lustre to Faded and Gray Hair—Dandruff Quickly Removed.

For generations Sage and Sulphur have been used for hair and scalp troubles. Almost everyone knows the value of such a combination for keeping the hair a good even color, for curing dandruff, itching scalp and falling hair, and for promoting the growth of the hair. Years ago the only way to get a hair tonic of this kind was to make it in the home, which was troublesome and not always satisfactory. Now, days, almost any up-to-date druggist can supply his patrons with a ready-to-use product, skillfully prepared in perfectly equipped laboratories.

An ideal preparation of this sort is Wyeth's Sage and Sulphur Hair Remedy, in which Sage and Sulphur are combined with other valuable remedies for scalp troubles and thin, weak hair that is losing its color or coming out. After using this remedy for a few days, you will notice the color gradually coming back, your scalp will feel better, the dandruff will soon be gone, and in less than a month's time there will be a wonderful difference in your hair.

Don't neglect your hair if it is full of dandruff, losing its color or coming out. Get a fifty-cent bottle of Wyeth's Sage and Sulphur from your druggist, and see what a few days' treatment will do for you. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

CLAIRVOYANT PROVES HIS CLAIM

Interview With the Noted Clairvoyant, Mr. Carl Bauer, Now Here.

Mr. Carl Bauer was visited yesterday by a prominent citizen of Maryville, who, after investigating his claims, pronounced him the most wonderful mortal he had ever met. The gentleman in question was an entire stranger to the professor and a skeptic. But it was not long before Mr. Bauer entered into his life from childhood up, telling him of past experiences and events that had almost escaped his memory concerning himself and those he associated with. More astonished was the gentleman when Mr. Bauer told him of his intentions, also advised him on matters of importance and of an absolutely private character. The investigator had never before become interested in clairvoyants, as he had classed them with fortune tellers, who guess and speculate for their subjects, but since his visit to Mr. Bauer he is willing to acknowledge that this, his first experience, has furnished food for reflection, and is almost ready to admit that there are unseen forces in a higher human intelligence that can operate on the minds of some favored or gifted mortals.

The investigator stated that he would not communicate his strange experience to his friends and acquaintances for fear they may perhaps doubt him, but will simply ask them to call on the professor and investigate for themselves; that in all justice to Mr. Bauer he deserves the attention of the thinking and investigating community, as he is from an intellectual standpoint a superior mortal. He possesses a mental power, force or gift that is phenomenal.

Mr. Bauer can be consulted at private residence, 322 North Mulberry street, corner Fourth, the Maplehurst, between the hours of 9 a. m. and 8 p. m. daily; 10 to 4 on Sundays.—Advertisement.
